Colorado**

YOU ARE INVITED

TO AN EVENING WITH

MICHAEL LEWIS

JANUARY 30, 2020

GRAND HYATT DENVER

5:00 PM - 9:00 PM

ABOUT MICHAEL LEWIS

BEST-SELLING AUTHOR OF THE FIFTH RISK, MONEYBALL, THE BLIND SIDE, AND THE BIG SHORT

A sharp observer of politics, finance, and the evolution of American culture, Michael Lewis combines keen insight with his signature wit, making him one of today's leading social commentators. Lewis' program takes a fresh, hard look at the ever-changing value systems that drive our economic markets, political landscapes, and cultural norms, and how organizations can adapt their thought strategies to facilitate growth among all three.

Financial journalist and New York Times best-selling author Michael Lewis has published sixteen books on subjects ranging from politics to Wall Street. Lewis's newest book, *The Fifth Risk: Undoing Democracy*, was released in October 2018 and examines a government in crisis. The Trump Administration has notoriously failed to fill vacancies in some of the most important positions in crucial government agencies like the Departments of Agriculture, Energy, and Commerce. With so much at stake, Lewis seeks out the (former) linchpins of the system—those public servants whose knowledge, dedication, and proactivity kept the machinery running for so many years—and asks them what keeps them up at night.

Mr. Lewis grew up in New Orleans and remains deeply interested and involved in the city. He holds a Bachelor's degree in Art History from Princeton and a Master's degree in Economics from the London School of Economics. He lives in Berkeley, California with his wife, Tabitha Soren, and their three children: Quinn, Dixie, and Walker. In 2009, he published *Home Game: An Accidental Guide to Fatherhood*, about his attempts to raise them.
